Create Your Recording

Congratulations! The description for your recorded listing is finished. It would be stored in the My Listing page on Keen.com. When you complete your recording, your listing will go live on Keen.com.

Create the Recording for your Listing

1. Click the "Call Me Now to Make Recording" button below and Keen.com will call your phone.
Check that your phone number in the Personal Info page on Keen.com is correct. If you use the same line to online and to make calls, you will need to disconnect from your online connection when Keen.com starts to call you.
2. Follow the prompts to begin and then save the recording when you end the call.
3. Your listing with the recorded message will become live on Keen.com.
You can edit your listing from the My Listing page and can change the text of the listing as well as re-record and listen to your recording.
